Sir:

Submitted herewith on Form PTO/SB/08A is a listing of documents known to applicants in order to further submit a reference on a PTO form.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or is considered to be material to patentability as defined in 37 C.F.R. §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* prior art reference against the claims of the present application.

The information cited in the accompanying Form PTO/SB/08A, namely U.S. Patent No. 7,098,194 to Chenite *et al.*, was already cited to the examiner in the Declaration of Gavin Braithwaite at Slide 6, submitted on September 19, 2008, but was inadvertently omitted on the Form PTO/SB/08A, also submitted on September 19, 2008. This citation was made prior to the issuance of the Notice of Allowance.

Applicants are merely submitting this document again on a Form PTO/SB/08A, which is permitted under 37 CFR § 1.98(f).

The Commissioner already charged a fee in the amount of \$180.00 in accordance with 37 CFR §1.17(p) to Deposit Account No. 50-3840 on October 15, 2008. See posting reference 10771852.

Applicants respectfully request that the listed documents be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08A be returned in accordance with 37 CFR § 1.98(f) and M.P.E.P. §609.

Respectfully submitted,
